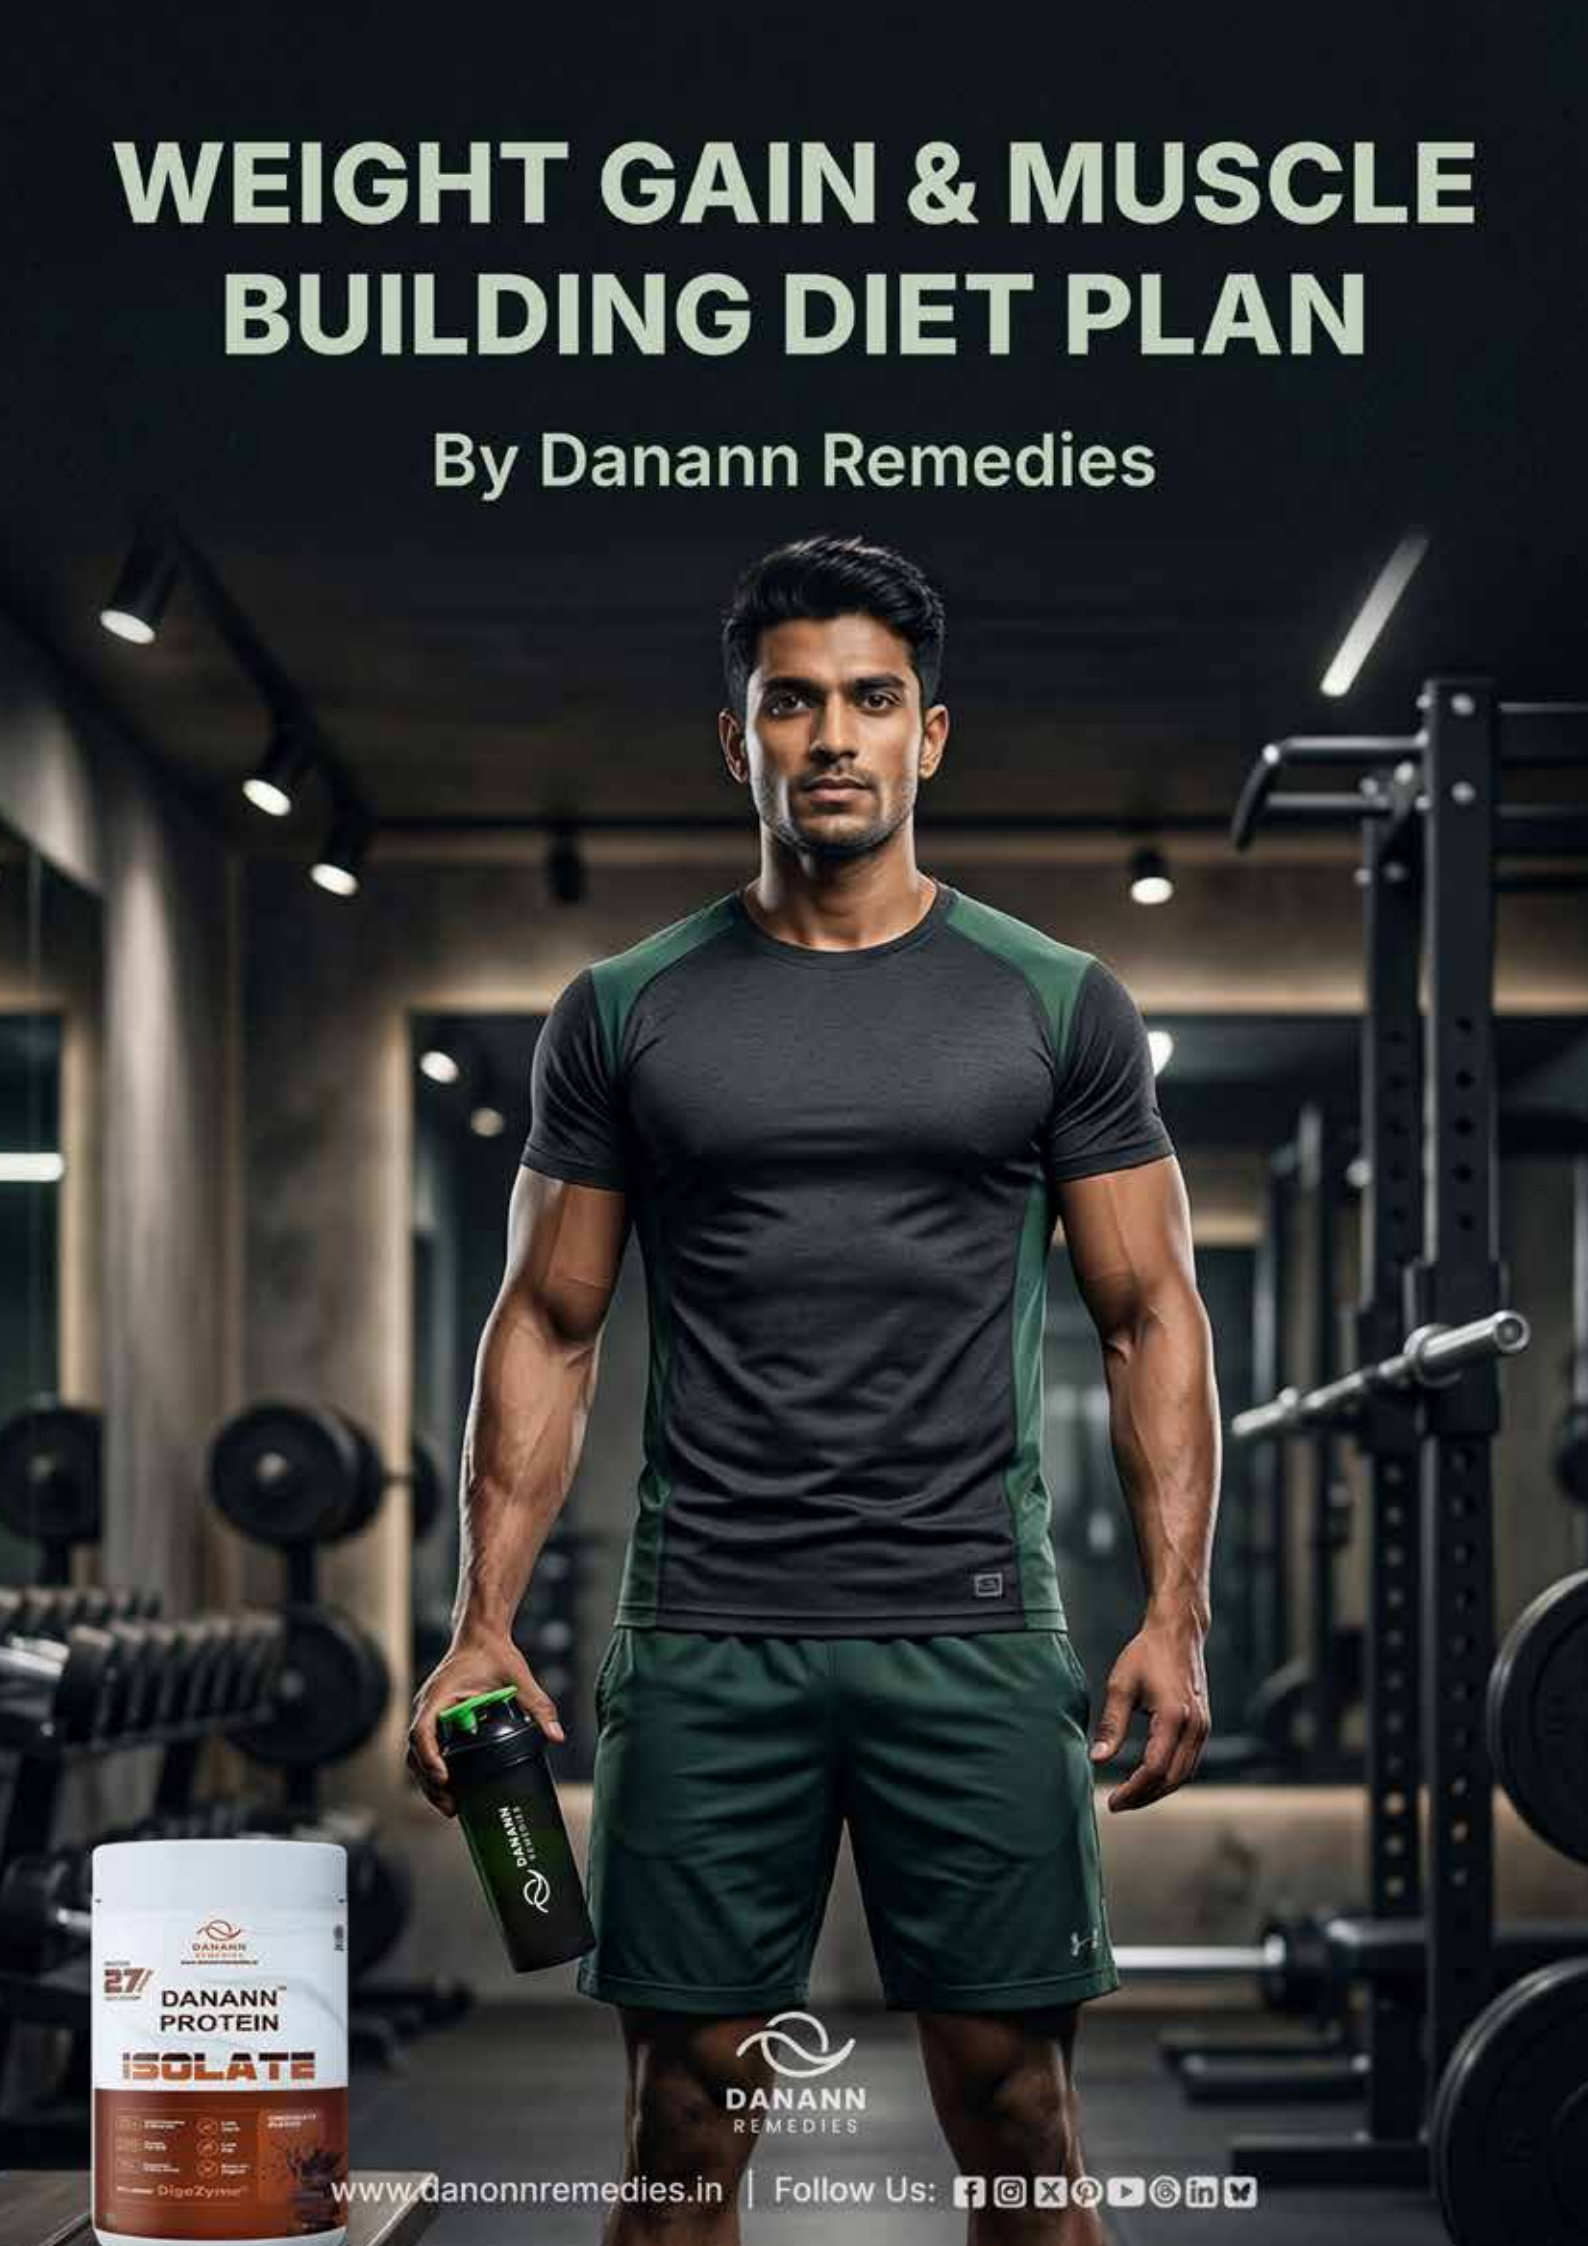
WEIGHT GAIN & MUSCLE BUILDING DIET PLAN

By Danann Remedies



Thank You!

for trusting Danann Remedies.

We are committed to helping you build a stronger, healthier body through scientifically backed nutrition and supplementation.

WHY MUSCLE BUILDING MATTERS:

- Increases lean body mass
- Improves strength & stamina
- Enhances metabolism
- Supports long-term fitness

Muscle growth depends on protein synthesis:

- If protein breakdown > synthesis → muscle loss
- If equal → no change
- If synthesis > breakdown → muscle gain

DIET APPROACH:

This plan focuses on:
- High protein intake
- Balanced nutrition
- Healthy fats
- Calorie surplus
- Balanced carbs

To help you:
- Gain healthy weight
- Build lean muscle
- Improve recovery
